

Is Your Blood Pure

If it is, you will be strong, vigorous, full of life and ambition; you will have a good appetite and good digestion; strong nerves, sweet sleep.

But how few can say that their blood is pure! How many people are suffering daily from the consequences of impure blood, scrofula, salt rheum, rheumatism, catarrh, nervousness, sleeplessness, and that tired feeling.

Hood's Sarsaparilla purifies, vitalizes and enriches the blood. Therefore, it is the medicine for you.

It will give you pure, rich, red blood and strong nerves.

It will overcome that tired feeling, create an appetite, give refreshing sleep and make you strong.

Hood's Sarsaparilla

WHY IT CIRCULATES

Phenomenal Demand for a Weekly Newspaper.

IT ADVOCATES POPULAR MEASURES

Characteristic Letters From All Kinds of People.

The phenomenal circulation of the WEEKLY CAPITAL JOURNAL in all the postoffices of Western Oregon causes a great deal of comment, and needs some explanation. Orders keep pouring in by every mail, and while names are struck off the list as soon as a subscription expires the additions surpass the expirations.

IT IS THE CHEAPEST Weekly in the state. One year \$1.00, six months 50 cents, three months 25 cents. At this low price all can afford to take an Oregon Weekly, and these hard times they naturally take the cheapest. It is too cheap to do without it, and conducted on the cash in advance basis, they know they will not have a bill run on them.

THE PEOPLE WANT IT.

The people will not pay cash in advance for a paper unless they want it and appreciate it. THE WEEKLY is as popular as THE ONE CENT DAILY which is conceded to be the most popular daily in Western Oregon. A man brought in a silver half dollar the other day and ordered it for two months. He said: "I can't get work this winter. I can get along without one meal a day. But I can't get along without THE ONE CENT DAILY. These long, cloudy, rainy, winter days it comes a welcome messenger to cheer the whole family." The people feel the same way about the WEEKLY.

FROM NETARTS, OREGON. Netarts comes a cheering letter from a subscriber at Netarts, Oregon, who encloses a dollar and writes:

"DEAR EDITORS: THE JOURNAL has the true Republican ring about it. I wish that every paper in the country would advocate the people's cause as THE JOURNAL does. I will do all I can for THE JOURNAL."

W. C. O'HARA.

A Republican of the school of Abraham Lincoln.

Mr. O'Hara is not afraid to sign himself an Abraham Lincoln Republican and THE JOURNAL feels proud to be considered a champion of Abraham Lincoln Republicanism.

FROM MAINE TO TEXAS. Come orders for THE WEEKLY JOURNAL. Silver dollars are sent. John Holm, Luling, Texas, sends us a big dollar of the daddy in a common envelope. It is one of those "In God We Trust" dollars, coined in 1893, good enough for any American, and good enough for any newspaper.

THE JOURNAL is the only silver dollar and Weekly in Oregon. THE JOURNAL is the only Daily and Weekly in Oregon that fights the whole gold bond humbug and stands for the right of the American people to buy their bonds. It demands Republican legislation for the American people instead of for the corporation, the trusts, the bondholders and syndicates.

ORDER THE JOURNAL. Circulate the DAILY and WEEKLY. Stand by the cause of good government for the masses and sound American principles. We will pay extra postage on silver. Don't send stamps.

How's This! We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & Co., Props., Toledo, O. We the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligation made by him.

Pitcher's Castoria.

A NOVELTY IN BUTTERFLIES.

Editor Gibson Made It For the Benefit of an Amateur Naturalist.

Puck has in its lithographing department a German who is an amateur naturalist. He is a constant delight to the editorial department, or, rather, he was until Managing Editor Gibson heard his feelings last week. Schmidt—that isn't his name, but it will do—carries part of his natural history collection around with him. Mr. Gibson doesn't know anything about those things, and he doesn't want to.

Mr. Gibson was pinching the creases in his trousers one wet day, when an unusually large, extremely crawling up on his desk and looked at him.

"Too bad, Gibson, given his creases," said Mr. Gibson, "but we may be happy yet."

He captured the crease and boxed him up. Then he got a pair of large wings out of a box and persuaded Artist G. J. Taylor to paint them in colors. When they were nearly fastened on the crease's back, he placed the animal on his desk and summoned Schmidt.

"Oho, Schmidt, naturalist is here!" said Mr. Gibson, "here's a new butterfly, a 7 year long collector. It flew into the office just now."

By this time the crease was crawling up the wall, handclapped by his paper wings. Schmidt approached it closely, and peering through his glasses exclaimed:

"Oho, in Heaven, Mr. Gibson, this is a butterfly!"

"Yah, no! I thought," returned Mr. Gibson.

"Yah, no! I thought," returned Mr. Gibson.

"Yah, no! I thought," returned Mr. Gibson.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called soothing syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Chas. H. Pitcher* is on every wrapper.
